

Land Use Analysis | Uses Which Generate Activity | Downtown Fullerton

- School/College
- Downtown Core
- Metrolink/Amtrak/OCTA Station
- Open Space
- Church
- ★ Sign Implementation

Closer inspection of the region, specifically analyzing areas that enduce pedestrianism such as Restaurants and Boutiques in the Downtown Core, as well as open space, schools, and transit services indicate specific areas where sign implementation are needed. The Downtown Core area is becoming a tourist attraction and a destination for locals to visit, implementing pedestrian wayfinding maps will further enhance the area as one that is bike and pedestrian friendly.
